CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

County firefighters received a report of a person trapped inside of the burning apartment. When firefighters arrived, everyone inside of the apartment including the neighbor had safely escaped. Firefighters arrived to find the curtain, dresser, mattress, and other contents in one of the apt.'s bedrooms on fire. Firefighters were able to quickly extinguish the flames before they could spread. Apparently, a candle in the bedroom caught the curtains on fire, the curtains then fell onto the bed that a female occupant was sleeping in. She was awakened by her husband who was in the kitchen at the time. The husband, wife, children, and an elderly neighbor got out of their apts. safely.
