CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

Update 2:00 p.m. - Final mapped size is 60 acres. Incident terminated. Update 05/26/2012 7:45 a.m. - Fire was fully contained at midnight last night. Two engines are assigned today to patrol to improve containment lines and patrol the fire area. The cause of the fire remains under investigation. Update 9:15 p.m.: Fire is 85% contained and 40 acres in size. Firefighting resources will remain at the scene to fully contain and control the fire. Two firefighters are being treated for injuries (one with minor injuries and one with moderate injuries). Full control is estimated for May 26th 2012 by 6:00 p.m. Update 7:40 p.m. Forward spread has been stopped. Fire is 50% contained and approximately 30 acres in size (unmapped). No evacuations and no structures threatened or damaged. One firefighter was transported and is being evaluated for minor injuries. Full containment expected by midnight. The cause of the fire is under investigation. UPDATE 6:55 p.m. Although the fire is not declared contained, firefighters continue to make good progress. Paramadics were dispatched to the scene to evaluate an injured firefighter. Weather

conditions: 58 degrees, 55% RH, winds SSW at 11 mph. UPDATE: 6:29 PM - The fire has grown to approximately 25-35 acres. No structure threat. No injuries reported. UPDATE: 6:05 PM - The fire is currently 10-15 acres. CAL FIRE/Riverside County firefighters responded to the report of white smoke in the area. First arriving engine company reported an established vegetation fire on the ridge. The fire is currently 5 acres. Updates will be posted as information becomes available.
